Reply to the inquiry of participation of ODEE Friðriksson in the MA-exhibition

ODEE Friðriksson is included in the master's exhibition at Bergen Kunsthall that is part of the Master's Programme in Fine Art, emne ART350. He is included in the plans for the exhibition and has been from the start of the planning process, which he has been informed about.

The Art Academy – Department of Contemporary Art does not impose as a condition that he must provide further information about the content of the work in advance. Student activities such as this exhibition are subject to UiBs study regulations and guidelines.

We have made this information clear in other correspondence with the student, and we thank you for the opportunity to repeat it here. We agree that the correspondence you have attached, from earlier, may give a different impression. We apologize for that.

Sincerely yours

Katrine Hjelde
